

# PACES COURSE

**December 6, 7 & 8, 2018**

SKMCH & RC is pleased to announce the 19<sup>th</sup> preparatory course for the MRCP (UK) PACES exam. The course is aimed at candidates preparing for the PACES component of the MRCP (UK) exam.

**A full PACES exam covering all the stations 1 to 5 will be held on the final day.**

The registration will be provided to a limited number of candidates to maintain tutor to candidate ratio of 1:5.

**SALIENT FEATURES:** In line with feedback received from previous candidates we will be conducting a session on clinical stations with candidates divided into subgroups to go through and refresh their clinical examination skills on patients. History taking and communication skills will be taught and demonstrated by expert group of facilitators and surrogates using clinical and ethical scenarios from previous MRCP (UK) PACES examinations.

Important ethical issues will be discussed in accordance with current UK laws. It also involves practice of scenarios with the tutors.

A session to improve clinical examination skills and ability to promptly identify salient findings on real patients will be done.

In the end a Mock exam will be held using actual marking sheets designed by the Royal Colleges for MRCP (UK) PACES Examination, to provide the candidates a feel for the exam and the marking process. ***Following the exam individualized formal feedback will be given to all candidates.***

Candidate to Tutor ratio will be kept at not more than 5:1. Participation will be limited to 10 candidates only. Registration fee is Rs. 25,000/-
