

BRAIN IMAGING DAY

PRACTICE TO INNOVATION

26th January, 2019
(Saturday)

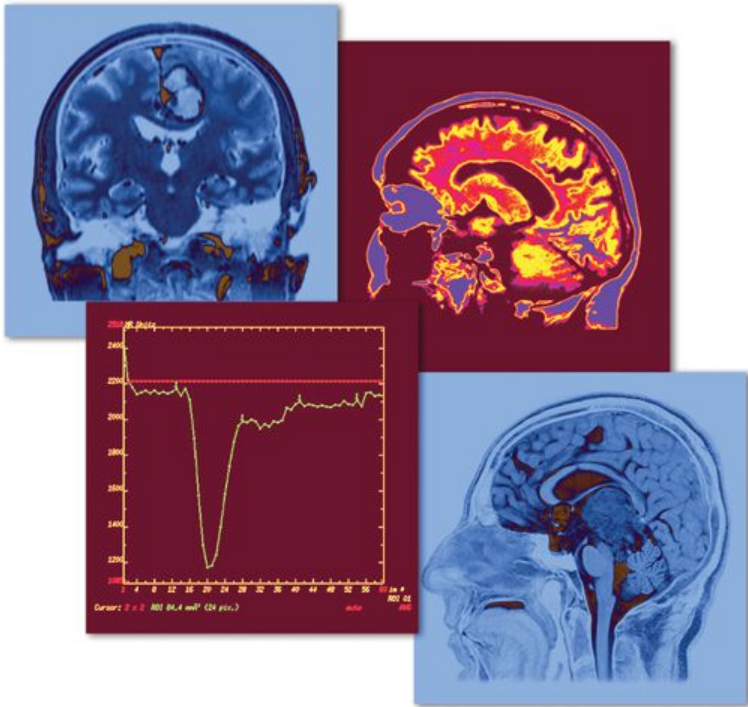

REGISTRATION IS FREE

SKMCH&RC - Brain Imaging Day is a postgraduate course to review the innovative neuroimaging techniques for diagnosis and treatment of common brain diseases.

**Location: Shaukat Khanum Memorial Cancer Hospital & Research Centre,
7-A, Block R-3, M.A. Johar Town, Lahore**

Shaukat Khanum
Memorial Cancer Hospital
and Research Centre

The course aims to provide a practical discussion of common imaging strategies, advanced neuroimaging techniques, and applications in diagnostic and/or therapeutic neuroradiology. In addition, this course will review common endovascular interventional techniques utilized in neuroradiology.

WHO WILL IT BENEFIT?

- Neurosurgeons
- Neuro-physicians
- General Practitioners
- Radiologists
- Radiology Trainees
- Medical Students

This CME is approved by PMDC and 3 credit hours will be awarded.

PROGRAMME DETAILS

VENUE	CLASSROOM A & B, SKMCH&RC, LAHORE
TIME	TOPIC
8:30 am	Registration
9:00 am	Welcome & Introduction Dr. Muhammad Atif Naveed - Consultant Radiologist, SKMCH&RC, Lahore
9:05 am	Current Updates in Stroke Imaging Dr. Kashif Siddique - Consultant Radiologist, SKMCH&RC, Lahore
9:30 am	Traumatic Brain Injury & Applications of Susceptibility-Weighted Imaging Dr. Islah-ud-Din - Consultant Radiologist, SKMCH&RC, Lahore
9:55 am	Diffusion-Weighted Imaging, MR Perfusion & MR Spectroscopy Dr. Muhammad Atif Naveed - Consultant Radiologist, SKMCH&RC, Lahore
10:20 am	Neuroanatomy Interactive Session Dr. Talha Yasin - Fellow Radiologist, SKMCH&RC, Lahore
10:45 am	Tea Break
11:10 am	Role of Subcortical U-fibres in Diagnosis of White Matter Dr. Qurat-ul-Ain - Consultant Radiologist, SKMCH&RC, Lahore
11:35 am	Vascular Malformations & Interventional Neuroradiology Dr. Imran Khalid Niazi - Consultant Radiologist, SKMCH&RC, Lahore
12:00 pm	Acquired Metabolic Brain Disorders: Role of Diffusion-Weighted Imaging Dr. Aamer Iftikhar - Consultant Radiologist, SKMCH&RC, Lahore
12:25 pm	Brain Tumour Surgery: What a Neurosurgeon wants from a Radiologist? Dr. Irfan Yusuf - Consultant Neurosurgeon, SKMCH&RC, Lahore
12:50 pm	Closing Remarks / Question & Answer Session Dr. Muhammad Atif Naveed - Consultant Radiologist, SKMCH&RC, Lahore
