

## **RCPE Symposium - Renal Medicine**

**Date:** Thursday 25<sup>th</sup> April 2019

**Venue:** Classroom A&B - Shaukat Khanum Memorial Cancer Hospital & Research Centre, Lahore

The Royal College of Physicians of Edinburgh (RCPE) is organizing Renal Medicine Symposium on 25<sup>th</sup> April 2019. Shaukat Khanum Memorial Cancer Hospital and Research Centre (SKMCH&RC) will telecast this live. There is no fee for attendance at SKMCH&RC venue but pre-registration is required especially for outside participants.

Renal medicine is an exciting and ever evolving field. We present a programme of clinically relevant topics highlighting the latest advances in nephrology which will appeal to wide variety of health professionals including GPs, general physicians, doctors in training, students and of course nephrologists!

We have invited engaging, dynamic speakers who are international experts in their field. Topics include:

The role of social media

Updates in chronic kidney disease and transplantation

Overview of living donation

Interactive CPC of managing difficult lupus nephritis cases

Acute Kidney Injury

We hope this will be a highly informative, interactive day relevant to your daily practice.

Dr Samira Bell

Chair of Organising Committee
