

RCPE - 59th St Andrew's Day Festival Symposium: Updates on Acute Medicine

Date: Thursday 28th and Friday 29th November 2019

Venue: Classroom A&B

Shaukat Khanum Memorial Cancer Hospital & Research Centre Lahore

The Royal College of Physicians of Edinburgh (RCPE) is organizing 59th St Andrew's Day Festival Symposium: Updates on Acute Medicine on Thursday to Friday 28 to 29 November 2019.

Shaukat Khanum Memorial Cancer Hospital and Research Centre (SKMCH&RC) will telecast this live. There is no fee for attendance at SKMCH&RC venue but pre-registration is required especially for outside participants.

The annual St Andrew's Day Festival Symposium focuses on acute and general medicine and is the highlight of the RCPE's educational year. This popular event brings together a vast array of international leaders covering the breadth of medicine and its specialties.

The programme will be of great interest to doctors at all levels of training, general practitioners, specialist nurse practitioners, allied health professionals and physicians who require updates on advances outside their own specialty.

Programme – Thursday, 28th November 2019

14.00 Registration

14.25 Welcome and Introduction
