

April 2020

Upcoming webinar: How are we responding to the COVID-19 research challenge? Experiences from South Asia.

Thursday 23 April | 2PM PST (10AM UK time) (GMT+1) | Language: English | Total duration of webinar: 90 minutes

This online workshop will run in English

Theme: How are we facing the challenge?

1. How is your country acting (surveillance, diagnosis, new interventions, prevention, government measures etc)?
2. What are the research gaps that need urgent attention?
3. Do you have/know of any tools which could be useful to respond to this scenario?
