

Speciality Clinics

In a safe, COVID-precautions compliant environment

Diabetes & Thyroid

It is imperative for you to keep your glucose and thyroid levels balanced.

Visiting an endocrinologist regularly will help in earlier diagnoses and treatment of complicated metabolic diseases like diabetes and thyroid disorders.

Clinic Days: Monday & Friday | Time: 2 pm – 5 pm

Clinic Day: Tuesday | Time: 9 am – 1 pm

Gastroenterology

You're healthy when your stomach is healthy!

Shaukat Khanum's qualified and trained team of gastroenterologists offers comprehensive evaluation and treatment of common and uncommon gastrointestinal diseases. These include conditions involving the oesophagus, stomach, gallbladder, pancreas, small and large intestines, as well as hepatitis B and C.

Clinic Day: Friday | Time: 2 pm – 5 pm

Kidney Care & Hypertension

Invest your time and energy to remain healthy!

This clinic will give you an insight to your kidney functions and spread awareness about prevention including earlier detection and treatment of all kinds of kidney diseases. These consultants also specialise in managing hypertension.

Clinic Days: Monday & Tuesday | Time: 2 pm – 5 pm

Infectious Diseases

The talk of the town that needs attention on high priority by everyone!

US Board/foreign certified consultants manage patients with complex diseases. We offer dedicated COVID-19 & HIV consultations, backed by state-of-the-art microbiology and PCR laboratory facilities.

Clinic Days: Monday & Tuesday | Time: 2 pm – 5 pm

Clinic Day: Friday | Time: 9 am – 1 pm

Cardiac Clinic

Let's help our hearts beat without stress.

The conscientious cardiologists at Shaukat Khanum's Cardiac Clinic are treating all heart conditions with special emphasis on early diagnosis through CT Angiography, Exercise Tolerance Testing and relevant blood tests.

Clinic Day: Monday | Time: 9 am – 1 pm

Anaemia & Blood Disorders

The hidden issues which manifest as bigger issues!

This highly specialised clinic provides diagnoses, consultation and treatment for adults with benign blood disorders including anaemia, bleeding conditions and problems with excessive blood clotting.

Clinic Day: Monday | Time: 2 pm – 5 pm

Psychiatry

The mind is the control button for the body. Effective mind: productive body.

These consultants provide medical management and therapeutic services covering a wide range of mental health conditions.

Clinic Days: Monday & Tuesday | Time: 9 am – 1 pm

Mental Wellness

Do not hesitate to seek help when required.

The psychologists and therapists at our Mental Wellness Clinic help you get the most out of life by keeping a clear mind and managing stress, anxiety, depression and phobias.

Clinic Day: Thursday | Time: 2 pm – 5 pm

Diet & Nutrition

You are what you eat!

Shaukat Khanum presents its Diet & Nutrition Clinic – a doorway to personalized nutrition solutions to help you manage allergies, chronic diseases and weight related issues.

Clinic Day: Tuesday | Time: 2 pm – 5 pm

Headache & Migraine

No more unexplained headaches!

Our specialist at the Headache & Migraine Clinic with expertise in head and orofacial pain management addresses chronic pain conditions that may affect the jaw, face and head region. These induce headache, migraine, cluster headache, jaw problems and nerve related conditions like trigeminal neuralgia and burning mouth syndrome.

Clinic Day: Thursday | Time: 2 pm – 5 pm

Well Woman Clinic

Essential health screening for women of all ages.

The clinic provides health check to all women, for we believe preventive care visits provide an excellent opportunity including screening, evaluation of health risks and needs, counselling and immunizations. Because when women are healthy, communities have a promising future.

Clinic Day: Wednesday | Time: 9 am – 1 pm

Comprehensive Health Care Clinic

Your one-stop solution to most health issues!

Shaukat Khanum's most popular Comprehensive Health Care Clinic (CHCC) provides complete evaluation of your health status by a team of highly qualified healthcare professionals.

Clinic Days: Monday & Tuesday | Time: 5 pm – 8 pm
