THE INTERNATIONAL EDINBURGH MRCS OSCE PREPARATION COURSE (LAHORE)

24 & 25 September 2022 | Shaukat Khanum Memorial Cancer Hospital, Lahore, Pakistan

Course Director: Mr Zahid Raza, Consultant Vascular Surgeon, and RCSEd Examiner

Course Fee: £450.00/£400.00

This course is aimed at FY2 and above, and primarily those preparing for the Intercollegiate Part B MRCS Examination. It is designed to help improve candidates' performance in the MRCS Part B Examination via practice sessions with 'mock' MRCS OSCE stations and discussions with examiners on the pitfalls and problems commonly encountered with the examination process. The course structure includes short lectures, discussion groups and OSCE stations.

Participants can register via:
