

Expression of Interest (EOI)

Solar Panel Installation Project at Shaukat Khanum Memorial Cancer Hospital and Research Center, Johar Town Lahore

Shaukat Khanum Memorial Cancer Hospital and Research Center invites **expressions of interest (EOI)** from qualified and experienced companies for the installation of solar panels on the roofs of our Lahore hospital buildings. This project is part of our commitment to sustainable energy and reducing our carbon footprint.

Scope of Work

The project involves the supply, installation, and commissioning of solar panels, ensuring efficient integration with existing electrical systems.

Please submit the following information, which will be used for the prequalification of suppliers for this project:

- Company profile, including background, experience, and certifications such as ISO.
- Details of completed solar projects, including design, installation, and maintenance, in the last five years.
- At least three references from previous clients for solar panel installations in the past five years.
- Demonstrated financial stability to handle a project of this scale.

Submitted EOIs will be evaluated based on the provided information. Shortlisted companies will receive a Bill of Quantities (BOQ) and will be invited to submit detailed quotes for the project.

All EOIs must be submitted by February 26, 2024, to azmatali@skm.org.pk
